November 3, 2021

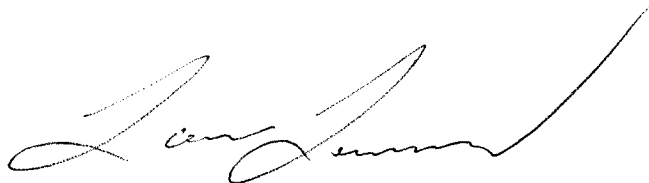

To Our Valued Customers:

As many of our customers may be aware, we are moving to a new building over the New Year break. We will be closed from December 24th, 2021 at 11:00am until January 8th, 2022 to allow us time to move our operation to the new location at **14735 Lorain Avenue, Cleveland, OH 44111.**

We will have our email monitored during the first week of January for orders and/or questions or concerns. We will have no production during this two week timeframe so please get your orders in by early December if you need them before the new year. We will resume normal business hours and operations on Monday, January 8th, 2022.

As always, we appreciate your business and look forward to providing the highest quality glass products and service to you. We believe this new facility will help us to achieve that goal and the continued growth of the glass industry.

Sincerely,

Louis Lamirand

President

Clearvue Insulating Glass
